## EVENT'S

### **Social Gathering at Amir Mahal 12<sup>th</sup> August 2023**

Our day at Amir Mahal for the employees social gathering was truly a memorable experience. Amir Mahal is the official residence of the titular Nawab of Arcot and his family situated in Royapettah, Chennai. It was constructed in Indo-Saracenic style in 1798, the Amir Mahal has been the residence of the family since 1876.

We must thank the prince of Amir Mahal, Nawabzada Mohammed Asif Ali, who had volunteered to conduct an event at his palace, sumptuous food, entertainment, and intriguing games which has been an enthralling experience still lingering in our minds.

**Our Managing Director Mr. Pratish Vedhappudi was honored by great Nawabzada Mohammed Asif Ali.**

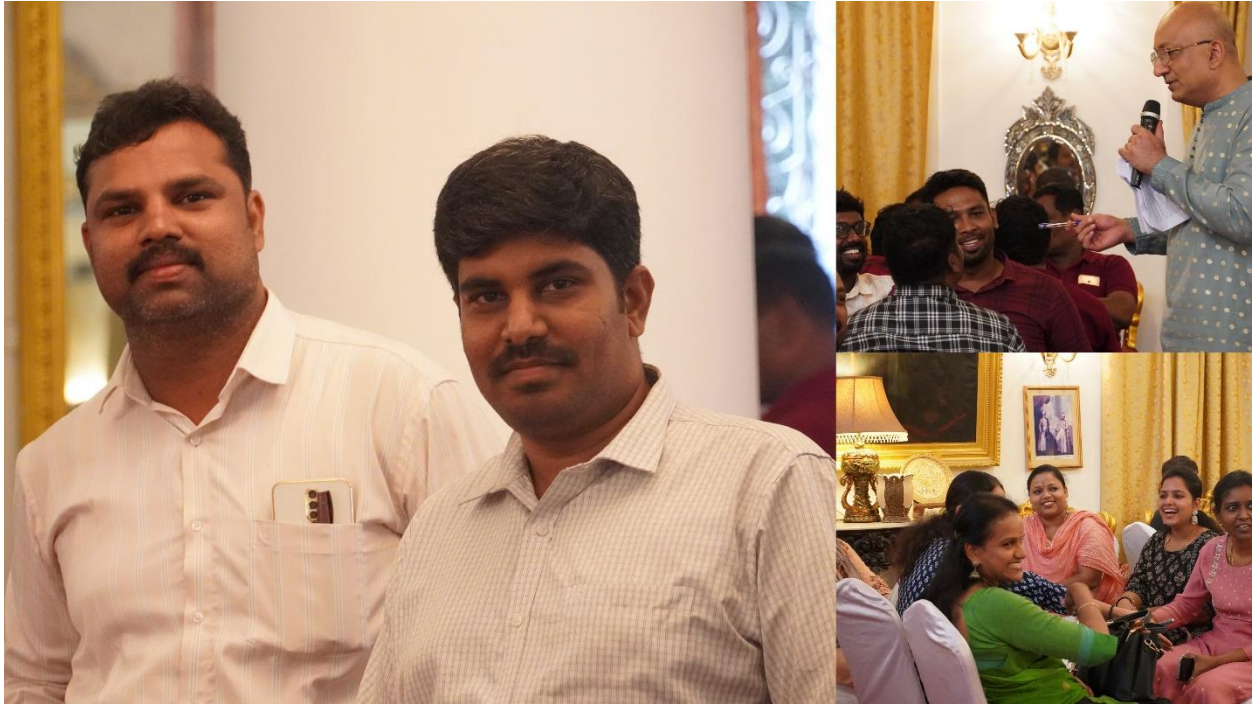

As the day unfolded, we engaged in a variety of team-building activities, from friendly competitions to group discussions that fostered a unity among our colleagues.

Our thoughtful spread of tea snacks delighted our employees, offering a perfect complement to the occasion. From an assortment of delectable pastries to savory bites, we curated a menu to cater to diverse tastes.

This provision not only elevated the overall experience but also served as a gesture of appreciation for our hardworking team.

Amir Mahal, with its timeless charm, made our employee social gathering an extraordinary experience. It was a day of bonding, learning, and creating lasting memories against the backdrop of this regal gem, an experience we will cherish for years to come.

## 77<sup>th</sup> Independence Day 15<sup>th</sup> August 2023

On this Auspicious Day,  
Our esteemed Managing Director  
stood tall, with pride in their heart,  
they answered the nation's call.  
Amidst the fluttering tricolor,  
they raised the high, a Symbol of our  
Freedom, reaching for the sky.

We remembered the sacrifices of our freedom fighters and soldiers who laid down their lives for our nation's liberty.
